Junior Archaeologist Summer Camp @ Weedon Island Preserve July 1-3, 2024

Archaeology Summer Camp 2024

Alliance for Weedon Island Archaeological Research and Education (AWIARE) is planning an exciting new archaeology summer camp at Weedon Island Preserve designed for children 7-11 years old who are interested in exploring the past. The camp is conducted by professional archaeologists and allow kids to experience archaeology first-hand through activities, experiments, hikes, and an excavation.

The summer camp is designed for children with an interest in prehistory and history as well as learning how early people interacted with their environment. Campers learn about the importance of archaeology and gain an understanding about early natural resources that were necessary for life in the Tampa Bay region. Highlights of the camp include guest experts, tour of an archaeological site, hands-on archaeology, lab analysis, pottery making, atlatl adventure, and earning the certificate of Tommy the Tortoise, Junior Archaeologist.

We hope you will consider joining us this summer!

Liability Release Form:

I request AWIARE allow the minor child named above to participate in summer camp activities offered at Weedon Island Preserve. It is my understanding that such activities may include hikes, field activities and lectures and inadvertent exposure to potentially dangerous wildlife and/or vegetation. I assume all risks and liabilities associated with my child's participation in such activities and agree not to bring suit against AWIARE, their agents, or employees, for damages arising from any injury. In the event that my child might require medical treatment for any reason while attending a summer camp program, I authorize AWIARE to admit my child for treatment at the nearest licensed medical facility. I give AWIARE permission to take photographs of my child while participating in the summer camp program. It is my understanding that said photographs may be used in publicity for future programs.
